KWM-2 1959 SSB Fundamentals
 Schematic published in Collins book "Fundamentals of Single Sideband"
 (2nd edition, 1 September 1958)
 Created from pdf file available at CCA website: www.collinsradio.org

Original area was missing from a volunteer's scan & text/photo reconstructed by copying the same area from the KWM-2 3rd edition manual (Dec 1959).
 Use with caution.
